Defect description:

Please choose the requested service level:

- | | |
|--|------------------|
| <input type="checkbox"/> Functional test (recommended every 3 years) | EURO 26.00 |
| <input type="checkbox"/> Repair to level 1 | EURO 58.00 |
| <input type="checkbox"/> Repair to level 2 | EURO 145.00 |
| <input type="checkbox"/> Exchange offer after expiration of the 5-year warranty | EURO 229.00 |

Further procedure if the repair work is more expensive than the chosen service level above or if the device is not anymore repairable:

- I do not want the beacon to be repaired (disposal is free)
- The device has to be returned without repair (we have to charge EURO 19.00 for the diagnosis)

Handling within 10 working days after receipt of the device is guaranteed.

All prices excluding VAT. EURO 5.00 will be charged for shipping.
 Payment within 30 days

Date: Signature:

Service levels:

Functional test:

Visual and mechanical check. Check of all functions with service-tester, check of technical specifications with inspection report. Emergency rescue plan sticker will be replaced if necessary

Repair level 1:

"Functional test" plus replacement of peripheral components: (without opening the case) ON/OFF switch, cover of battery compartment, wrist strap, battery contacts

Repair level 2:

Exchange with a new device, full 5-year warranty.

Exchange offer after expiration of the 5-year warranty:

These devices will **not be repaired**. We offer you according to the above mentioned terms an all new device with a full 5-year warranty.

Warranty on repaired devices:

A warranty of six months is provided on replaced parts. Any additional warranties and any liability for consequential damages are explicitly excluded. Warranty claims can only be accepted if the beacon is sent for repair together with the purchase receipt.
